Client Remks: Exceptional development opportunity at Bayview & York Mills, one of Toronto's most prestigious and sought-after luxury corridors. This fully assembled 33,949 sq ft (0.78 acre) corner site with approved zoning for a 6-storey, 60-unit boutique condominium designed by Zahedi Design Studio. The concept features elegant, well-proportioned suites, 81 parking spaces, and over 10,000 sq ft of indoor and outdoor amenities, combining modern sophistication with timeless architecture. Zoning approval was granted in February 2025, allowing the next developer to move directly into the Site Plan and Building Permit stages, saving years of entitlement time. Every element surrounding this address reflects luxury and convenience: top-ranked public and private schools, premier golf and tennis clubs, Bayview Village Shopping Centre, Yorkdale Mall, and quick access to Highway 401, Yonge Street, and the city's finest dining and shopping. Bayview Royale stands as one of the most exclusive and desirable opportunities in York Mills, Bridle Path, St. Andrew, and Bayview Village, offering a lifestyle this area has never seen before, perfect for discerning homeowners seeking to downsize from large estates while maintaining their standard of luxury, comfort, and privacy. This visionary project promises to attract strong demand from those who value refined design, boutique living, and the prestige of one of Toronto's most established neighbourhoods.
